HOW TO BOOK?

By email, we need to know:

- your name
- how many people you are
- the flight number and the exact time of arrival (we pick you up 30 minutes after the time of arrival)
- your mobile phone number that you will use the day of the transport (with the right prefix from your country)

You can also book by phone, but it is easier by email

HOW TO PAY?

When we are arrived in St jean Pied de port, by cash. We don't have the device for credit cards.
We don't take money in advance.

WHERE AND WHEN DO WE MEET?

The airport of Biarritz being very small, it is very easy to meet. You have to go outside the arrival gate in the big entrance area, and wait for us to pick you up. We will come to you.

We will have a board with your name and the name of the others passengers.

We will come 30 minutes after your time of arrival. Before we come to the airport, we check the exact airplane landing time on the airport website. We will know exactly when you arrive.

So, don't worry if you don't see us when you are outside, certainly it is because 30 minutes after the time of your arrival are not passed. We are not late (sometimes it can happen, but really not often), we didn't forget you (perhaps it happened not more than 3 times in many years), we are going to arrive.

It is not necessary to call us to be sure if i am arriving or not, we are certainly driving to you.

HOW LONG IS THE DRIVE?

The transport takes 1h00.

If you land on at 15h30, we will come pick you up at 16h00, and we will be at St JPP at 17h00.

VERY IMPORTANT: we make groups, how does it work? What do you have to know?

Before the transport:

When you make a request for a transport through the website, we will inform you if the transport is possible or not, at what time, if more people are registered for that transport, and the price.

If you book the transport, it means that you are OK to pay this price, perhaps they won't be more people to share that transport. If more people join the transport, the price will be lower.

If you want this transport only if it is shared with more pilgrims, you can inform us about it.

Few days before each transport, we check all the requests. If we have some transport which can be interesting for you, we will send you an email.

At the airport:

If you meet more pilgrims at the airport who want to join your transport to St JPP, it is possible for them to come with us ONLY IF:

- we have some seat left
- we know it before I arrive at the airport. We are only allowed to pick up people who have a booking, people without any booking cannot join the transport. So, before we pick you up, you can send a message text at this phone number: 0033661960476, indicating that you wish to share the transport and that you want 2 seats more, for instance. Without a text from your cellular phone, we cannot pick up more persons. You can say "I am Garry, and I met Linda and John to share the transport, so now we are 3 persons in my booking". The booking is confirmed when you receive a text message from us confirming it. Do it by a text message.
